

# Pastry R Us – 54.8kW & 26.4kW Solar PV

## GENERAL INFORMATION

**Site Address:** 1044/1046 Canley Vale Rd, Wetherill Park NSW 2164

**Type:** Commercial

**Daily Electricity Consumption:** Combined total of 700kWh

## PROJECT DETAILS

- Pastry R Us are a leading pastry and desert wholesaler. Their success has led to an increasing electrical load and high electricity bills
- Recently, the peak load on their local transformer has created tripping issues during summer peaks

## OUR SOLUTION

- Installed a 54.8kW system for Unit 1 and 26.4kW system for Unit 2
- Onsite generation allows loads to bypass trip-prone grid connection, thus improving site electricity supply reliability

## RESULTS

Estimated Annual Savings

\$27,549

CO<sub>2</sub>e Reduction (p.a.)

120 Tons

Payback

2.5 Years

Electricity Consumption Reduction (p.a.)

132 MWh
